

## WAKE RESPONSIBLY

Congratulations on your new equipment purchase! We love watersports as much as you and know how intense a good session on the water can be.

### HERE ARE A FEW TIPS FOR BEING A COURTEOUS BOATER.

- 1** Stay at least 150 feet away from the shoreline, docks, or other structures.
- 2** Keep music at reasonable levels. Sound travels well over water. If it's loud enough to hear at 80 feet back, it is likely loud enough for homeowners to hear, too.
- 3** Minimize repetitive passes on any one portion of shoreline. Once you've run the same line for a while, move on to another area.

**REMEMBER, YOU ARE RESPONSIBLE FOR YOUR OWN WAKE.**
