WAKE RESPONSIBLY

Congratulations on your new equipment purchase! We love watersports as much as you and know how intense a good session on the water can be.

HERE ARE A FEW TIPS FOR BEING A COURTEOUS BOATER.

1. Stay at least 150 feet away from the shoreline, docks, or other structures.

2. Keep music at reasonable levels. Sound travels well over water. If it’s loud enough to hear at 80 feet back, it is likely loud enough for homeowners to hear, too.

3. Minimize repetitive passes on any one portion of shoreline. Once you’ve run the same line for a while, move on to another area.

REMEMBER, YOU ARE RESPONSIBLE FOR YOUR OWN WAKE.
